

VISITS

The Sion Team and some parish volunteers will visit as many parishioners as possible from the afternoon of Sunday 7th May until the afternoon of Friday 12th May. We recognise that some people may not want a visit. If you would like to Opt Out then please let us know by Wednesday 3rd May. Give your name and address via the Mission email or telephone contact number, please see below. PLEASE don't opt out just because you think you don't need a visit or you think time would be better spent elsewhere. The Sion Team are keen to visit "confident Catholics" as well as those who have doubts or questions.
