The 29th May is the 144th Birthday of GK Chesterton, famous Catholic Convert and author of over one hundred books, including The Father Brown mysteries. Please keep and say the following prayer:

God Our Father, Thou didst fill the life of Thy servant Gilbert Keith Chesterton with a sense of wonder and joy, and gave him a faith which was the foundation of his ceaseless work, a charity towards all men, particularly his opponents, and a hope which sprang from his lifelong gratitude for the gift of human life. May his innocence and his laughter, his constancy in fighting for the Christian faith in a world losing belief, his lifelong devotion to the Blessed Virgin Mary and his love for all men, especially for the poor, bring cheerfulness to those in despair, conviction and warmth to lukewarm believers and the knowledge of God to those without faith. We beg Thee to grant the favours we ask through his intercession, the end of abortion in this Country [and especially for.....] so that his holiness may be recognized by all and the Church may proclaim him Blessed. We ask this through Christ Our Lord. Amen.
