AUGUST BAZAAR

As you know, the May Fayre has not taken place since the beginning of the Pandemic. During the three years we have been without the May Fayre we have lost our team of skilled volunteers who look after the setting up and organisation. Some have moved, some have retired. This means that we are going to begin again on a small scale and discover whether a new event will catch on and grow. So the plan is to hold a **Bazaar in the car park at St Augustine's on Bank Holiday Monday 29th August this year between 2pm and 6pm.** The first stage is to find volunteers who are willing to set out and man the various

stalls. We hope to have refreshments available on the terrace outside the west end of the church. (which will need two or three volunteers) Other stalls will hopefully include **Books, Music, Toys & Games, Bottles, Bric-a-Brac, Clothes, Plants and Cakes.** There will also be a raffle. The stalls will be tables set out around the car park while parking will be at the offices across the road from the church. Volunteers will be asked to come on the morning of the day (or previously at a convenient time) to price up the various items on the stalls and to man the stalls during the afternoon. Ideally, we would want two volunteers for each stall. Once we have volunteers for the stalls we shall begin asking for donations to the various stalls, donations for a different to be invited each week from late July onwards. If you would be willing to assist at a table, please sign up on the list. At this stage any suggestions are also welcome.

BECOMING DISCIPLES: As we continue to look at ways of exercising our discipleship within the Church Community, our recent problems with our computer suggest how useful it would be to have people with some skills in **IT** we might be able to call upon! Likewise there might be people with sufficient skills for doing many of the odd-jobs that need doing around our churches. While some jobs clearly need doing to professional standards there are many minor repairs and such like that can be done by anyone with a competence in **DIY**. If you have any skills that we can call upon at need, do let us know. Other particular skills which some parishioners may have might include people with **knowledge of Health & Safety or Accountancy**. Whatever skills you might have there are ways in which they can be used, through the Church to help your brothers and sisters. Other ways of being disciples lie in the work of **Catechetics** – chiefly (but not only) preparing children for the Sacraments of Confession, Communion and Confirmation. In helping children to learn we learn ourselves. You don't have to be a teacher to do this work; you just have to be someone for whom faith is important and be willing to share it with others. Or perhaps you might join the **Children's Liturgy Group** as a leader. Again you do not need experience for this as what you need to know will be explained to you. Catechesis, of course is not only for children. There is also a need for **Adult Catechesis**. This would involve helping

those adults who are to be received into the Church and also, hopefully, some ongoing Catechesis for adults for we never stop growing and learning about Jesus. Do think about these things over the next couple of weeks before we get to Part III, where more possibilities will be outlined.

Eternal rest grant to them, O Lord...

PRAYER TO ST MICHAEL

Holy Michael, the Archangel defend us in the day of battle. Be our safeguard against the wickedness and snares of the devil. May God rebuke him, we humbly pray, and do thou, O prince of the Heavenly Host, by the power of God, thrust down to hell Satan and all the wicked spirits who wander through the world for the ruin of souls. Amen.
